NOTICE OF APPEAL

Dear Sir:

It was Applicants' understanding that during the Telephonic Interview of
03/22/05 Applicants reached agreement with the Office that Baker was nonanalogous art.
Although an issue existed as to whether the Amendment could be entered and considered in light
of it being an After-Final Amendment, Applicants were unaware that the Office still considered
Baker analogous art. The Advisory Action of 04/25/05 indicates that the AF Amendment was
entered, but that claims 1-3, 5-14, and 16-22 stand rejected because the Office does not consider
Baker nonanalogous art.

Accordingly, Applicants hereby appeal to the Board of Appeals from the decision
dated January 27, 2005 finally rejecting all claims (1-25) to address this and other rejections of
various claims.
